Entrepreneurship Development Cell

Entrepreneurship Development Cell (EDC) of Hindusthan College of Engineering is happy to release the EDC newsletter "PRISM'22" covering the activities of Entrepreneurship Development Cell for the period between June 2021 to May 2022.

The various aspects covered in PRISM'22 are:

- About the trust, institution and EDC
- Notable achievements
- Notable student entrepreneurs
- MOU's signed
- Details of events organised
- External Events attended by students
- Faculty Development Programme
- Details of department EDC coordinators

Entrepreneurship Development Cell of the institution identifies, motivates, mentors and handholds aspiring students in order to enable them become young successful startup founders / entrepreneurs. The EDC carries out various programmes and activities to create awareness about entrepreneurship among all the students of the institution, there by igniting them to become entrepreneurs.

PRISM'22

A Yearly Newsletter
(June 2021 - May 2022)

Young Entrepreneurs
will make a difference in
the Indian ecosystem.

Mr. Ratan Tata

About Hindusthan Educational and Charitable Trust

From humble beginnings to flattering triple figures that has been the phenomenal growth of Hindusthan Educational and Charitable Trust, one of the finest in education and teaching is strategically placed in the heart of the Coimbatore city, and since 1992 has established itself firmly in the fields of Arts, Science, Education and Technical Education. The Trust provides ample opportunities to the young minds to develop and unfold their innate capacities in education that is world-class and on par with global standards. The Trust firmly believes in education from Pre-KG to Ph.D and is true to its motto – ‘Get the best in everything’.

The Management has always stood by its commitment to the betterment of the student community and had at first established itself as a brand in the ‘power sector’, and today in the field of Education has reigned supreme with the ‘Life Time Education Achievement Award’ for giving back to society. Real knowledge, like everything else of value, is not to be obtained easily. It must be worked for, studied for and more than that thought for and prayed. The Trust aims at inculcating this understanding in the youth. The Management aims in leading and has set new trends/ innovative training methodologies in all its Institutions that will assist students towards the road to success.

Hindusthan Educational and Charitable Trust (HECT) was founded in the year 1992 by the eminent Industrialist and Philanthropist, Shri T.S.R Khannaiyann. The Trust is managed by the Founder and Chairman - Shri T.S.R Khannaiyann, the Managing Trustee - Smt. Sarasuwathi Khannaiyann, Trustee - Shri.K.Sakthivel Raja , Executive Trustee & Secretary - Smt. Priya Satish Prabu and Chief Executive Officer Dr.K.Karunakaran.

Hindusthan Institutions now successfully includes

Hindusthan College of Engineering & Technology
Hindusthan Institute of Technology
Hindusthan College of Arts and Science
Hindusthan College of Education
Hindusthan School of Architecture
Hindusthan Polytechnic College
Hindusthan Matriculation Higher Secondary School
Hindusthan Kangaroo Kids International Preschool
Hindusthan IAS Academy
Hindusthan Teachers Training Institute

About Hindusthan College of Engineering and Technology - HiCET

Hindusthan College of Engineering and Technology (HiCET) Coimbatore, established in the year 2000 by the great Industrialist and Philanthropist, Thiru.T.S.R.Khannaiyann of Hindusthan Educational Trust whose determination and dynamism made possible the realization of this institution of excellence.

Surrounded with nature's pristine beauty and an excellent infrastructure coupled with dedicated and experienced faculty has made the campus a much sought-after abode of learning. HiCET is one of the premier technological institutions inculcating quality and value based education through innovative teaching learning process for holistic development of the students.

The institution is an autonomous institution affiliated to Anna University , Chennai with permanent affiliation for most of the programmes, approved by the AICTE and the Government of India. Accredited by the National Assessment and Accreditation Council (NAAC) with 'A' grade & National Board of Accreditation (NBA).

The Institute is ranked 146 th in India Today Ranking and spotted as the Nodal Centre for Smart India Hackathon. One more feather in the crown is a Ford Eco sports car worth 22 lakhs gifted by Ford India and also the Best Accredited student Branch Award from Computer society of India.

Further, Establishment and Innovations plays a major role and Centre of Excellence with Royal Enfield and Eicher Motors are established.

The institution continues to be top in the country (National Rank-31 as per Education World Ranking 2021-22).

HiCET conducts seminars and also invites companies to give presentations that will help students to choose a right career for themselves and has hence contributed to the industry by successfully delivering fresh recruits who have contributed continuously to the growth of the industry by being a part of the top-notch organizations. For all these reasons HiCET has been a preferred institute for recruiting young minds.

Currently, there are around 5000+ students pursuing various Undergraduate programs (B.E./B.Tech.), Postgraduate programs (M.E./M.Tech, MBA & MCA) and Ph.D. research programs in the Institution and are mentored by around 250 well qualified and experienced faculty members.

HiCET nurtures future global leaders by imparting knowledge, skills and building attitudes among students to face the world in a fresh, energetic and unrestrictive work environment.

About HiCET Entrepreneurship Development Cell

Entrepreneurship Development Cell (EDC)

Entrepreneurship Development Cell is highly active in the institution with an objective to nurture entrepreneurial mindset among students and to motivate students to start their own business venture.

Entrepreneurship Development Cell provides inputs regarding initiating, planning and successful launching of economically viable units through constant guidance, mentoring and various programs. More than 100+ students have become entrepreneurs in the recent past. The institution is associated with EDII - Tamilnadu , ICT Academy and Shakti – The Empathy Project to promote entrepreneurship.

The EDC regularly organizes various Entrepreneurship development Programmes and during the academic year 2021-22, more than 40 programmes on entrepreneurship were organized.

Objectives

- To nurture entrepreneurial mindset among students by having curriculum framework.
- To motivate students to develop their own startups /business.
- To provide a platform for the development of technology based new enterprises.
- To obtain membership / get associated with professional bodies to promote entrepreneurship.

Notable Achievements

Best Spoke Institution Award

Hindusthan College of Engineering and Technology has been awarded as **best spoke institution** for the Innovation and Entrepreneurship Development Programme (IEDP) promotional activities under Program Monitoring Office (PMO – IEDP) by Entrepreneurship Development and Innovation Institute - Tamilnadu (EDII –TN) for the academic year 2021-2022 with funding of INR 10000 to conduct entrepreneurship promotion activities.

TECHKNOW 2022

Anna University partnered with All India Manufacturers Organization and Consortium of Indian Associations, Consortium of Self Financing Professional , Arts and Medical Colleges in Tamilnadu to conduct 2-day Event – TECHKNOW 2022 on 22nd and 23rd April 2022.

One team comprising of students namely Mohitsabhareesh GP and Balamurugan R of B.E Aeronautical Engineering of Hindusthan College of Engineering and Technology was selected among best 5 ideas and received the award from Honorable Chief Minister Thiru M K Stalin on 23rd April 2022 at Vivekananda Auditorium, Anna University.

Issue of letters to adopt young brains under “Naan Mudalvan” Scheme was given to students by Honorable Chief Minister Thiru M K Stalin on 23rd April 2022. The letter of commitment was issued to students under the NAAN MUDALVAN scheme of our Tamilnadu government. The students were adopted as member under Incubation Centre by Anna University incubation centre with immediate effect. SIDBI will nurture the idea and concept to a financial success by supporting/handholding with financial grants/options.

For Techknow 2022, more than 280 projects were submitted by the students of HiCET. And out of more than 7000 ideas and projects submitted by students of various institutions, 5 teams from Hindusthan College of Engineering and Technology were selected among top 25 ideas for Finals.

Innovation in Manufacturing Practices (IMP 2022)

Indian National Academy of Engineering (INAE) and Jadavpur University, Kolkata jointly organized All India Contest titled Innovations in Manufacturing Practices (IMP) 2022 to showcase innovations in manufacturing sector on 20th June 2022.

In the national level project competition, 48 teams from HiCET registered and 11 teams were selected for finals under various category namely UG, PG and Startup.

Ms.K.Nivetha , Mr.T.Sonu Prabu and Mr.R.Dhinesh Kumar of II B.E Civil Engineering won second prize in UG Category with cash prize of INR 20000.

Their title of innovation was "An experimental investigation on concrete by replacing plastic wastes and e-wastes as aggregates".

INAE & JU present

IMP2022

Innovation in Manufacturing Practices

Changes in present day manufacturing reflect advancements in supply chain, markets, customer demands and engineering design. The manufacturing sector in India is notably trailing behind the service sector's share of the GDP. Growth of manufacturing sector of our country will significantly boost the national economy. Keeping this in mind, Indian National Academy of Engineering (INAE) and Jadavpur University, Kolkata (JU) are organizing a One Day National Workshop on Innovation in Manufacturing Practices (IMP 2022) at Jadavpur University, Kolkata on 20th June, 2022 to provide a platform for engineering students and startups to compete in an All India Contest to showcase innovations in manufacturing sector.

Highlights of IMP

- National Level Project Competition open to all Engineering students and practitioners [undergraduate, postgraduates (not PhD scholars) and startups]
- Eligible Branches of Engineering Studies for Students: Aeronautical, Biomedical, Chemical, Civil, Computer/Information, Design, Electrical, Electronics & Communication, Industrial, Instrumentation, Material Science, Mechanical, Power, Production and other allied branches.
- Eligible Startups: Entrepreneurs-in-Residence (EIR) and Startups with less than two years and incubated at any of the Technology Business Incubators (TBI).
- Entries for this competition should be submitted before 15 May 2022 through the online link given below. The entries to be submitted along with a three minutes video [.mp4] of their working model to demonstrate the operation of the innovation and a write up of maximum 250 words.
- 18 entries would be shortlisted for the final round (six each from UG, PG and Startups).
- These selected entries would be given an opportunity to showcase their innovation through physical demonstration/presentation during the NATFOE 2022 Symposium.
- A group/team cannot have more than three members.
- A project of UG/PG students' as a course work may also be sent as an entry.
- From the eighteen shortlisted entries, a national committee comprising domain experts will select six prize winners.

PRIZES	
UG	1st Prize INR 40,000
	2nd Prize INR 20,000
PG	1st Prize INR 40,000
	2nd Prize INR 20,000
Startup	1st Prize INR 40,000
	2nd Prize INR 20,000

Last Date for Form Submission: 15 May, 2022

Final: 20 June, 2022

Memorandum of Understanding (MOU) signed

MOU with ICT Academy

Hindusthan College of Engineering and Technology signed MOU with ICT Academy, Chennai on 15.04.2021 to implement Entrepreneurship Cluster Development Program for the students of the institution aspiring to become entrepreneurs. "Aspiring Entrepreneurs Program 2021" - a CSR activity of HDFC Bank Parivartan an initiative to nurture aspiring students towards starting and running a successful business enterprise on their own was implemented by ICT Academy for which Hindusthan College of Engineering and Technology will be a Partner .

The image shows the cover of a Memorandum of Understanding (MOU) document. At the top left is the Hindusthan College of Engineering and Technology logo, featuring a lamp and the text 'HINDUSTHAN COLLEGE OF ENGINEERING AND TECHNOLOGY'. To its right are accreditation logos for NAAC (National Assessment and Accreditation Council) and NBA (National Board of Accreditation). The main text reads: 'HINDUSTHAN COLLEGE OF ENGINEERING AND TECHNOLOGY', 'An Autonomous Institution, Affiliated to Anna University, Chennai', 'Accredited with 'A' Grade by NAAC & NBA', and 'Coimbatore - 641032'. Below this is the title 'Department of Management Sciences & Entrepreneurship Development Cell' in red. The central text says 'Memorandum of Understanding with ICTACADEMY (Chennai, TN)'. The scope is 'Implementation of Entrepreneurship Cluster Development Program'. The date is '24 September 2021(12:00pm - 12:30pm)' and the venue is 'Principal's Chamber'. At the bottom, three roles are listed: EDC COORDINATOR (Mrs. V. Kanimozhi, Assistant Professor - MBA), CONVENER (Dr. K. Samuvel, Director - MBA), and PATRON (Dr. K. Karunakaran, Principal).

Dr.K.Karunakaran - Chief Executive Officer, Dr.P.N.Magudeeswaran – Dean Academics, Dr.J.Jaya – Dean, Dr.K.Samuvel – Director MBA and Entrepreneurship Development Cell Coordinators of various departments from Hindusthan College of Engineering and Technology joined the MOU signing ceremony. Mr.Anand.H – Senior Manager of ICT Academy and Mr.Vijay Babu – Academy Relationship Manager of ICT Academy represented ICT academy.

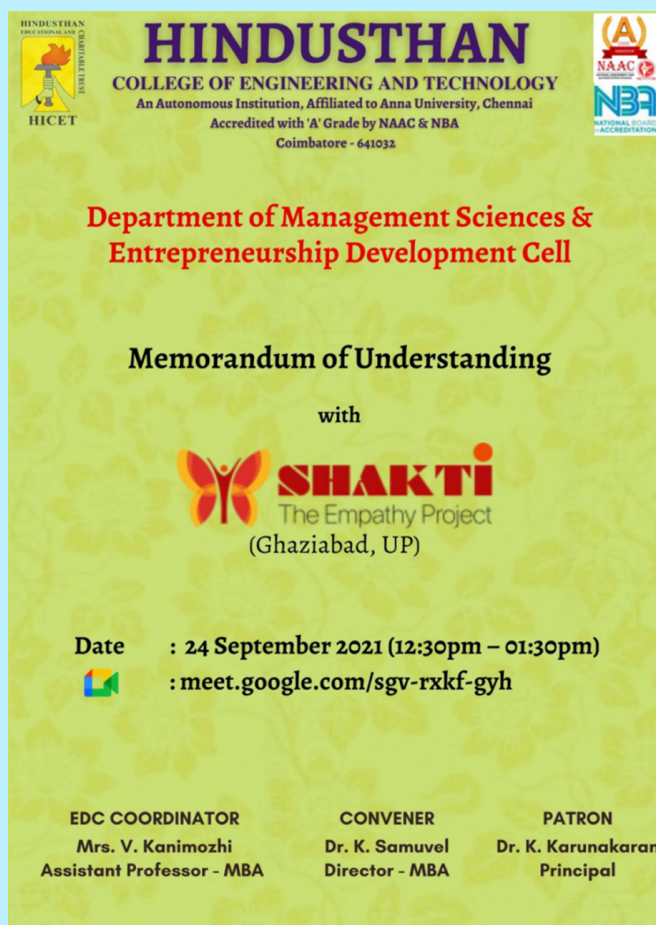

MOU with SHAKTI

Hindusthan College of Engineering and Technology, Coimbatore signed MOU virtually on 24.09.2021 with Shakti – The Empathy Project (STEP), Ghaziabad, Uttar Pradesh to promote entrepreneurship among women students of Hindusthan College of Engineering and Technology. Shakti – The Empathy Project (STEP) is an incubation programme for early –stage women entrepreneurs creating social impact. Through this MOU, the institution becomes a network partner there by empowering women students to become entrepreneurs.

Dr.K.Samuvel – Director MBA delivered the welcome address. Dr.K.Karunakaran - Chief Executive Officer of the institution delivered the presidential address. Ms.Renu Shah- Founder of Shakti delivered the MOU address and explained about the STEP activities.

Dr.P.N.Magudeeswaran – Dean Academics and Dr.J.Jaya – Dean delivered special address followed by virtual signing of MOU. Mrs.V.Kanimozhi – Entrepreneurship Development Cell Coordinator delivered the Vote of Thanks. Ms.Shruti Sharma – Program Associate of Shakti represented Shakti along with Ms.Renu Shah- Founder of Shakti.

Entrepreneurship Development Cell Coordinators and Women Empowerment Cell Coordinators of various departments from Hindusthan College of Engineering and Technology joined the MOU signing ceremony.

Events attended by Students

E-leader workshop :

Aravind R and Vineesh R - MBA students successfully completed 3 Days E-leader online workshop organized by EDII – TN during October 2021.

TNSI 2021:

EDII - TN organised Tamilnadu Student Innovators (TNSI) 2021 during December 2021 for which 48 student teams from various departments of HiCET registered and submitted their innovative ideas.

International Level Entrepreneurship Summit AVLOKAN 2.0:

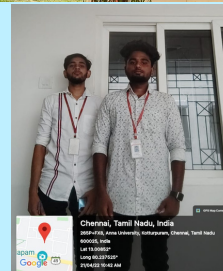

Janani S and Shariq Ahamed - MBA students participated in International Entrepreneurship Summit AVLOKAN 2.0 organised by Jain Center for Management Studies during Jan 2022.

Design Thinking Workshop:

EDII - TN organised three days Design Thinking online workshop for students in which Ms.Sugashini K - B.Tech Chemical Engineering, Ms.K.Nivetha - B.E Civil Engineering and Mr.S M Hariharan - MBA students of HiCET attended during February 2022.

TECHKNOW 2022:

Anna University partnered with All India Manufacturers Organisation and Consortium of Indian Associations, Consortium of Self Financing Professional, Arts and Medical Colleges in Tamilnadu to conduct a 2-day Event – TECHKNOW 2022 and organized project/ idea submission contest and seminar during April 2022. Out of more than 7000 ideas and projects submitted for TECHKNOW 2022, more than 200 projects were submitted by the students of HiCET. Techknow 2022 Seminar was attended by more than 100 students of HiCET.

ENANTRA:

Anna University Student entrepreneurship club organized ENANTRA during March and April 2022 in which 18 students (Automobile engineering and Food Technology) of HiCET took part in seminar and events.

Kovai Expo :

Womentrepreneurs India organized Kovai Expo 2022 on 7 th and 8 th May 2022 in which more than 60 students attended the workshop and around 3 teams took part in pitching. Two teams from HiCET were selected in pitching and were given opportunity for technical and funding support to implement their business idea.

Innovation in Manufacturing Practices (IMP) 2022:

Indian National Academy of Engineering (INAE) and Jadavpur University, Kolkata jointly organizes all India contest IMP 2022 to showcase innovations in manufacturing sector. In this national level project competition, 48 teams from HiCET registered during May 2022 under various category namely UG, PG and Startup. From HiCET, 11 teams were selected for the finals held on 20 th June 2022 at Jadavpur University, Kolkata.

ANIHESS:

ANIHESS, an innovation hub established through a collaborative initiative by Anna University, Chennai and Center for Applied Research and Development, NLC India Ltd invited proposals for which 31 teams from HiCET applied during May 2022.

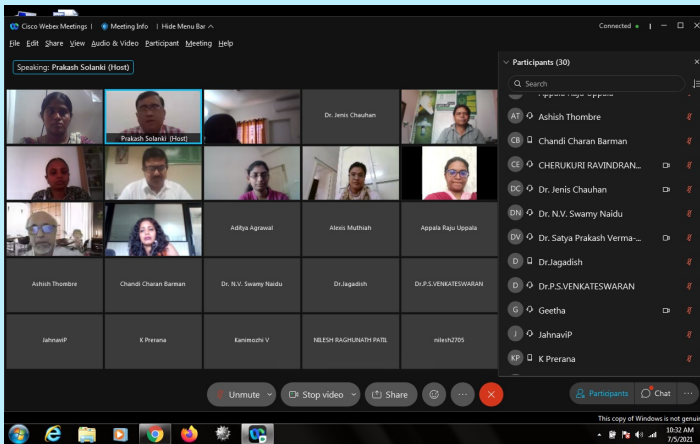

Catalyse Tech:

The Global Center of Excellence for Affordable and Clean Energy (GCoE-ACE) at Indian Institute of Technology, Dharwad (IIT Dharwad) and SELCO Foundation organised Catalyse tech in which 34 students from HiCET applied during May 2022.

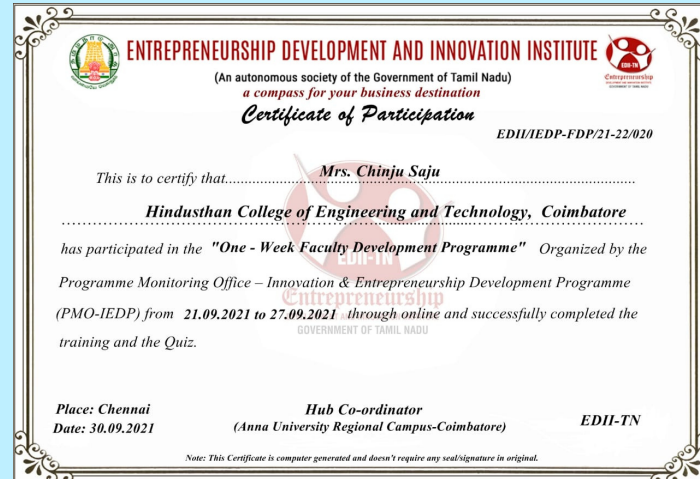

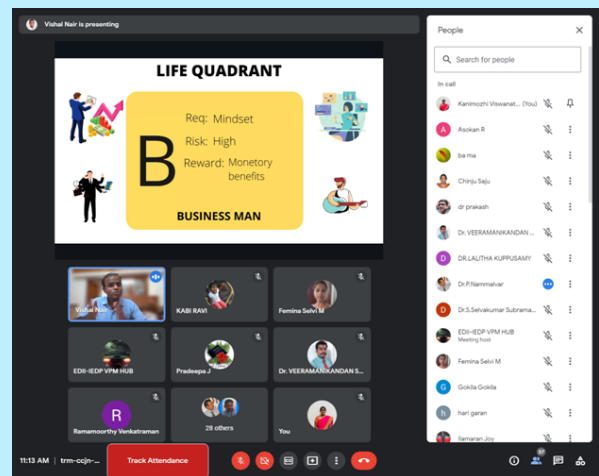

Faculty Development Programme

Dr.V.Kanimozhi successfully completed Virtual Trainers training programme on Entrepreneurship organized by Entrepreneurship Development Institute of India – Ahmedabad during July 2021.

Dr.V.Kanimozhi and Mrs.Chinju Saju successfully completed one week faculty development programme on Entrepreneurship organized by Entrepreneurship Development and Innovation Institute – Tamilnadu during September 2021.
