Integrity Pledge for Citizens

I believe that corruption has been one of the major obstacles to economic, political and social progress of our country. I believe that all stakeholders such as Government, citizens and private sector need to work together to eradicate corruption.

I realise that every citizen should be vigilant and commit to highest standards of honesty and integrity at all times and support the fight against corruption.

I, therefore, pledge:

- To follow probity and rule of law in all walks of life;
- To neither take nor offer bribe;
- To perform all tasks in an honest and transparent manner;
- To be accountable for my actions;
- To act in public interest;
- To lead by example exhibiting integrity in personal behaviour;
- To report any incident of corruption to the appropriate agency.

Remarks and Feedback on the Event:

To create greater awareness and participation of the public at large, the Central Vigilance Commission has envisaged a concept of "Integrity Pledge". As such two integrity Pledges have been envisaged enlisting support and commitment of the citizens and the other for corporates /entities/firms etc., especially in the private sector to prevent and combat corruption. Both, the "Integrity Pledges" to be taken by individual citizens as well as by corporates, entities, firms etc. affirming their commitment to eradicate corruption and to uphold highest standards of ethical conduct, transparency and good governance would be available as an e-pledge of the commission website <http://www.cvc.nic.in>.
