A workshop on voice control and emotional expression will be conducted prior to poetry recitation or monologue events. For literary quizzes, engaging formats such as buzzer rounds or interactive platforms like Kahoot will be used. Participants will be given ample time for scripting, rehearsals, and costume preparation for dramatic performances. To foster a collaborative learning environment, senior members will be paired with juniors as reading buddies. A guest author or English teacher will be invited to conduct a creative writing workshop. Additionally, regular weekly extempore speaking sessions will be organized to help members build confidence and improve impromptu speaking skills.
