REPORT FOR SESSION ORGANIZED

Name of the Faculty: Mr. R. Sakthivel, Mr. R. Poomalai	
Department: Civil Engineering	Designation: Assistant Professor
Name of the Event: Webinar on Water Conservation	
Category: Institute Level	
Mapping with UN SDGs: SDG 4: Quality education SDG 6: Clean Water and Sanitation SDG 11: Sustainable Cities and Communities SDG 13: Climate Action	
Venue / Mode: Online (https://meet.google.com/orb-xhsk-bzu)	
No. of Days: 01	Dates: 05.08.2024
Funded by: The Institution of Engineers (India) – Hicet Civil Engineering Students Chapter	In Association With: The Institution of Engineers (India) – Hicet Civil Engineering Students Chapter
No. of Participants: 126 (Students: 120, Faculty Members: 06)	Registration charges (if any): NIL
Name and Designation of Resource Person(s):	Dr. Vikas Garg Professor and Head, Department of Civil Engineering, Central University of Haryana, Haryana
Objective: To create awareness and educate participants on the importance of water conservation and sustainable management of water resources for a better future.	
Outcome: Participants gained knowledge about effective water conservation strategies and understood the critical role of sustainable water management in addressing global environmental challenges.	
Remarks and Feedback on the Event: - The webinar provided valuable insights into water conservation methods through an engaging and informative session that was well-received by all participants. - The event successfully enhanced awareness on sustainable water management, receiving positive feedback for its relevance, clarity, and practical applicability.	
Plan of Implementing in HiCET (if any): Promoting water conservation through awareness campaigns, low-cost initiatives like water audits, encouraging water-saving habits, and organizing student-driven projects, all aimed at reducing campus water usage without significant costs.

REPORT FOR WALKATHON

Name of the Faculty: Mr. A. Alex Livingston Raja & Mr. R. Poomalai	
Department: Civil Engineering	Designation: Assistant Professor
Nature of the Event: Walkathon / Sports / Wellness / Awareness Programme	
Title: Challenge of Walking 10000 Steps in 90 Minutes	
Category: Institution Level	
Mapping with UN Sustainable Development Goals:	
	
	
No. of Days: 01	Date: 01.10.2024
Venue/Mode: HICET Campus	Funded by: -
In Association With: Department of Physical Education, Nature Club and Green Thumbs	
No. of Participants: Students: 184, Faculty: 40	Registration Charges (if any): -
Name and Designation of Resource Persons: Dr. K. Karunakaran Chief Executive Officer, Hindusthan Institutions Coimbatore	Name and Designation of Resource Persons: Dr. P. N. Magudeswaran Dean, Academics, Hindusthan College of Engineering and Technology, Coimbatore
Outcome of the Event: The participants will be able to: - Understand the importance of daily physical activity and its impact on long-term health. - Develop a habit of incorporating walking as part of their daily routine to maintain physical fitness and mental well-being.	
Remarks and Feedback of the Event: The event received positive feedback from both students and faculty members. Participants appreciated the initiative for promoting physical fitness in a fun and community-driven way. The use of tracking apps and provision of hydration points added to the smooth conduct of the event. Many expressed interest in participating in similar wellness activities in the future.	
Plan of Implementing in HiCET (if any): To integrate physical activity into the campus routine through such initiatives every semester to reinforce healthy lifestyle habits among students and faculty.

REPORT FOR SEMINAR ORGANIZED

Name of the Faculty: R. Sakthivel, R. Parthasaarathi	
Department: Civil Engineering	Designation: Assistant Professor
Name of the Event: Celebration of National Pollution Control Day – Tree Plantation Programme	
Category: Institute Level	
Mapping with UN SDGs: SDG 3: Good Health and Well-being SDG 6: Clean Water and Sanitation SDG 11: Sustainable Cities and Communities SDG 13: Climate Action SDG 15: Life on Land	
Venue / Mode: NSS Garden	
No. of Days: 01	Dates: 19.02.2025
Funded by: -	In Association With: NSS, Hicet
No. of Participants: 51 (Students: 44, Faculties: 7)	Registration charges (if any): NIL
Name and Designation of Resource Person(s): -	
Objective: To raise awareness about pollution control measures and encourage participants to contribute to environmental conservation through tree plantation.	
Outcome: The participants will be able to: - Understand the significance of pollution control and its impact on the environment. - Recognize the role of afforestation in reducing pollution levels. - Actively engage in tree plantation as a step towards environmental sustainability. - Native trees were planted in designated areas to enhance greenery and air quality.	
Remarks and Feedback on the Event: - The event was well-received, with enthusiastic participation from students and faculty. - Participants expressed a sense of responsibility towards environmental conservation. - The tree plantation drive created a positive impact and awareness about pollution control measures.	
Plan of Implementing in HiCET (if any): - To conduct more awareness programs and activities related to pollution control and afforestation. - To collaborate with environmental organizations for future plantation drives.

REPORT FOR SEMINAR

Name of the Faculty: Mr. A. Alex Livingston Raja & Mr. K. Siddharth	
Department: Civil Engineering	Designation: Assistant Professor
Nature of the Event: Seminar / Awareness Programme	
Title: Climate Compatible Growth Programme, Green Brigades: Youth Climate Literacy - Coimbatore	
Category: Zonal Level	
Mapping with UN Sustainable Development Goals:	
   	
No. of Days: 01	Date: 10.05.2025
Venue/Mode: Kurinji Hall, HICET	Funded by: Management (Rs. 3500/-)
In Association With: Centre for Climate Change and Disaster Management (CCCDM), Anna University, Chennai and Anna University Regional Campus NSS, Coimbatore	
No. of Participants: Students: 297	Registration Charges (if any): -
Name and Designation of Resource Persons:	
Dr. S. Kanmani HoD, Civil Engineering & Director (i/c), CCCDM Anna University, Chennai	Dr. A. Ramachandran Honorary Emeritus Professor & Founding Director, CCCDM, AU Member, CM's Governing Council & TN Climate Change Mission, Chennai
Dr. M. Saravanakumar Dean, Anna University, Coimbatore	Dr. R. Geetha Project Scientist, CCCDM, Anna University, Chennai
Dr. R. Malarvizhi Project Scientist, CCCDM, Anna University, Chennai	Dr. S. Pavithrapriya Project Scientist, CCCDM, Anna University, Chennai
Dr. M. Mithilasri Project Associate-II, CCCDM, Anna University Chennai	Mr. S. N. Ahamed Ibrahim Senior Research Associate, NMSKCC, CCCDM Anna University, Chennai
Dr. Divya Subash Kumar Project Scientist, CCG, CCCDM, Anna University Chennai	
Outcome of the Event:	
- The seminar provided practical insights on sustainable development planning aligned with Tamil Nadu's Climate Change Mission, equipping students with tools for climate-resilient project design. - Participants gained in-depth awareness of climate change science, policies, and local adaptation strategies through expert-led sessions, empowering them to become youth climate ambassadors.	

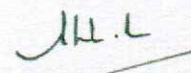

Remarks and Feedback of the Event: The event received positive feedback from students and faculty for its engaging content and relevance to ongoing environmental challenges. Resource persons appreciated the active participation and enthusiasm shown by the students. Many attendees expressed interest in further hands-on training and student-led sustainability projects.

Plan of Implementing in HiCET (if any): to organize more seminars and awareness programs on climate change and sustainability to actively engage students and promote environmental responsibility.
