Name of the Event : "SWAP"	
Level : Regional / College Level	
Venue / Mode : HICET, Coimbatore	
No. of Days : 01	Date: 11.03.2024
No. of Participants: 3 Rotaract Students	
Outcome: <ul style="list-style-type: none"> The Rotaract Club of Hindusthan College of Engineering and Technology, in collaboration with the Rotaract Club of National College, orchestrated a significant event focused on fostering camaraderie and partnership between the two clubs. This joint initiative centered around the ceremonial exchange of letterheads, symbolizing a formal bond and commitment to mutual cooperation. The event served as a platform to enhance fellowship and strengthen ties among the members of both clubs. By engaging in such collaborative endeavors, we aim to cultivate enduring relationships and promote a spirit of unity within the Rotaract community.

ONAM:

The Onam is a vibrant and culturally significant festival celebrated in the southern Indian state of Kerala. Onam is a harvest festival and a time for people to express gratitude for the bountiful harvests of the year.

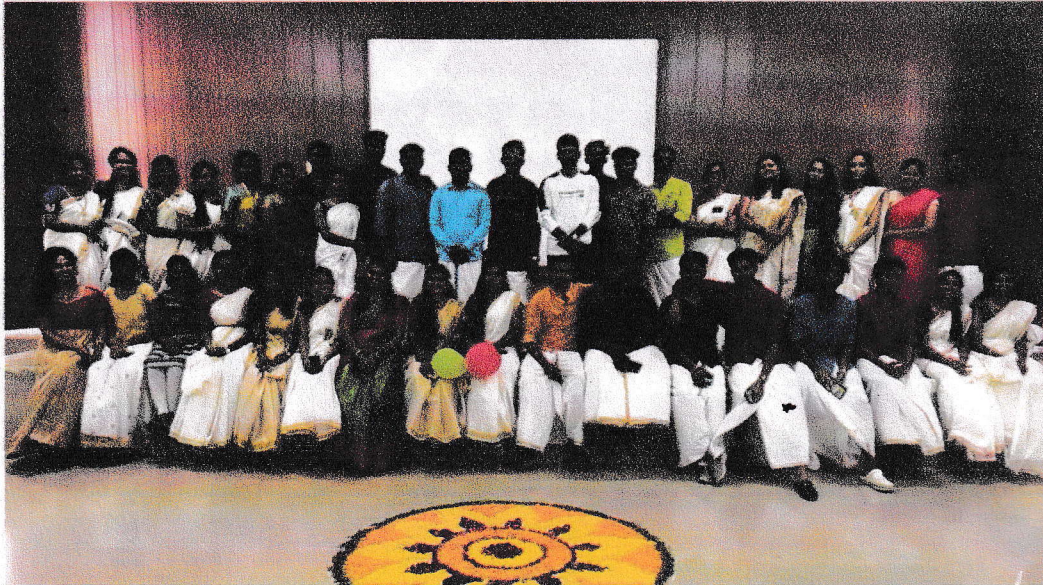

The history of Onam is rooted in ancient mythology and legend, primarily associated with the mythical King Mahabali and the Vamana avatar of Lord Vishnu.

The Legend of King Mahabali King Mahabali, also known as Maveli, was a virtuous and generous ruler of Kerala. His reign was marked by peace, prosperity, and equality. He was loved and revered by his subjects, making him a beloved king. Lord Vishnu, in his Vamana avatar (dwarf incarnation), decided to test King Mahabali's devotion and control over his kingdom. Disguised as a young Brahmin dwarf, Vamana approached King Mahabali and asked for three paces of land. King Mahabali, known for his benevolence, agreed to the request. However, to his surprise, Vamana's three paces of land expanded to cover the entire universe in three steps. With no space left for his final step, Vamana asked Mahabali where he should place it. Mahabali, true to his word, offered his own head for the third step. Pleased with Mahabali's unwavering devotion and integrity, Vamana spared his life but banished him to the netherworld (Patala). However, King Mahabali was granted a boon to visit his people and kingdom once a year, which is believed to be the time of Onam. Onam, therefore, marks the annual homecoming of King Mahabali. It's a celebration of his virtuous rule and the prosperity he brought to Kerala. The festival is a time of feasting, cultural events, traditional games, and the creation of intricate floral designs called "Pookalam."

6. Music and Dance: Cultural programs, music, and dance performances are held throughout the festival, showcasing Kerala's rich artistic heritage.

Onam is a time of joy and unity, where people come together to celebrate the rich cultural heritage of Kerala and strengthen their bonds with family and friends. It is also a time for prayers and reflection, as it is believed to mark the return of the mythical King Mahabali, whose rule was marked by prosperity and equality. Overall, Onam is a celebration of abundance, togetherness, and the spirit of Kerala.

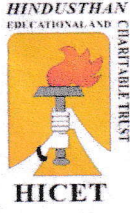

Onam is not just a religious festival but also a cultural and social event, celebrating Kerala's rich heritage and its age-old traditions. It symbolizes the ideals of love, equality, and prosperity associated with King Mahabali's reign. It is a time for families to come together, express gratitude for the harvest, and enjoy the festivities that showcase the unique culture of Kerala.

Onam festival include:

1. **Floral Decorations:** Homes are adorned with intricate flower arrangements called "Pookalam" at the entrance. These colourful designs often feature a variety of local flowers.
2. **Traditional Attire:** People dress in traditional, with women wearing beautiful sarees, and men donning "Dhoti."
3. **Onasadya:** The grand feast known as "Onasadya" is a central part of the celebration. It consists of an elaborate vegetarian meal served on banana leaves, featuring a variety of delicious dishes.
4. **Folk Dances:** Folk dances are performed during Onam, adding to the cultural richness of the festival.
5. **Traditional Games:** Various traditional games and sports competitions are organized, including the "tug
