The meeting started with greetings.

The Principal , Dr.K.Karunakaran welcomed the members and addressed the Strategic Planning and Monitoring Committee members.

The following points were presented by the Principal:

- Report of the action taken on the decisions of the fourth Five year plan was presented.
- The Principal briefed about the Institution's progressive growth from 2015-2021 and the various achievements of the institution in the field of Responsive Learning Environment, Industry Institute Interaction, Innovation, Incubation and Start up, Research and Development, Training and Placement, Human Resources Planning and Development, Cultivating Wellness on campus, Library, Sports, Alumni engagement ,promotion of outreach activities, Accreditations, Infrastructure Development, Financial Management and Resource Mobilization and Gender Equity.
- The Progressive report of the strategic plan 2015-20 was analysed for the last six years.
 - The target of Introducing new UG courses in evolving areas like Biomedical, Agriculture , Food technology, Chemical Engineering sector and computational sciences such as Artificial Intelligence and Data Sciences with industry integrated curriculum is achieved.
 - The curriculum is developed to provide current, substantive knowledge of the area, applied skills, interpersonal skills, and a solid academic foundation to the students.

- The target of offering programmes with flexible learning options, such as self-learning modules using modern educational technology and cross registration of students across departments is achieved.
- Autonomous status is achieved.
- The members discussed on the actions to establish more centre of excellences.
- Members discussed to take necessary actions to provide Industry-driven curriculum in various other departments.
- Members discussed on the various actions to develop more competency development centres for various specialization.
- The target of establishing a center for training the SC and ST students was achieved.
- The targets related to consultancy, sponsored research, Centre of excellences
- The targets which are yet to be achieved are analysed and proper actions to achieve those targets in the fourth year plan are discussed. Those targets are extended to fifth five year strategic plan.
- The Members Suggested for a plan of more industry driven courses in all the programmes.

Finally, the Principal delivered the Vote of Thanks.
