BE Agriculture Engineering

A photograph of a graduation ceremony. Graduates in black gowns are seen from the chest up, with their arms raised in celebration. Several black mortarboards are flying through the air against a bright, slightly hazy sky. The overall mood is one of joy and achievement.

Sai Shine Beauty Parlour

"Airbrushing her way to success flawlessly"

Anusiya

Every woman aspires to be beautiful. Now even men share the same desire. The job of a beautician is to take the beauty which is skin deep out to the surface to show off. As people are more and more aware of the products and treatments, they consult more and more beauticians and hair.

Anusiya, one of the most sought out makeup artists and brides swear by her. She has been in the world of makeup for long and has done.

She is a talented makeup artist based in Kumbakonam, Tamil Nadu and her studio is called "Sai Shine Beauty studio & Training Academy". She conducts make up as well as tailoring classes to the aspiring girls, and also a well-known name for bridal make up and the like.

For Anusiya, the goal is to make brides stand bold and proud as they take their wedding vows. She is one of Kumbakonam's best known bridal makeup artists, Anusiya is all about clean, dewy skin and intense eyes. She even has her own courses and a studio with a full-fledged team of makeup artists so the customers are assured quality, and some extra hands in case your bridesmaids are getting ready with you.

Her experience has totally made her stand out and excel at what she does as she understands the difference between her clients and how to transfer them into a beautiful bride.

As notable and acclaimed as the brand is now, Anusiya's journey was a difficult climb to success. Born in Kumbakonam from a conventional background, Anusiya completed her education from the renowned university and pursued her master's in Management Studies, after which she worked in the private sector for almost 7 years.

Her idea of starting up a new business in the beauty field was not welcomed by her relatives, who thought working as a beautician was embarrassing and people would make fun of her profession in a place like Kumbakonam. However, against all odds, she started working as a freelancer. Through her hard work and determination, she impressed her clients by her magical makeup.

Now she is a prominent beautician in her place. Many brides in and around her place choose Anusiya for pre-wedding and wedding makeup. Moreover, she specializes in eye and religious makeup, particularly Muhurtham Makeover. Her aim is to give a glossy look with less products. Also, she understands the latest trends in the wedding industry. She specializes in Airbrush makeup coupled with trendy hair styles. So, she is well known for customer satisfaction.

She is the proud recipient of the India's Biggest "South India Women Achievers Awards - 2020."
